

2005 EXPEDITION EXCURSION ACCESSORIES

Limited Warranty Information

Ford Motor Company will repair or replace any properly dealer-installed Genuine Ford Accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory.

This means that Genuine Ford Accessories purchased along with your new vehicle are covered for the full length of your New Vehicle Limited Warranty — 3 years or 36,000 miles (whichever occurs first) should installation occur during this time. If you choose at a later date to purchase a Genuine Ford Accessory, it will be covered for 12 months or 12,000 miles (whichever occurs first). Contact your dealer for details and a copy of the warranty.

Red Carpet Lease

Get the ride you want. Many Genuine Ford Accessories purchased and installed by the dealer at lease inception can be paid for in your monthly lease payment. See your Ford Dealer for details.

ESP PremiumCare Plan

Depending on the ESP Plan you select, some dealer-installed Genuine Ford Accessories can be covered for up to 7 years or 100,000 miles. See your Ford Dealer for details.

NOTE: The product descriptions and specifications contained herein were correct at the time this material was being prepared for printing. However, our policy is one of continuous improvement, and we reserve the right to change design or specifications at any time without notice and without incurring obligation.

2005 EXPEDITION EXCURSION

Up for adventure? The Expedition and Excursion will always find it. And Genuine Ford Accessories are the perfect companions to take along for the ride. They're rugged, designed and engineered for a precise fit, and backed by one of the industry's strongest limited warranties.

ENTICING EXTERIORS

1

1. Sport Hood Cover
This stylish cover helps protect the vehicle's hood. Flannel backing is gentle on painted finishes. Expedition only. Base Part No. **19A414**

2. Full Front End Cover
Heavy-duty vinyl shields front end from bugs, stones and off-road debris. Flannel backing minimizes moisture buildup between the cover and the painted surface. Multi-piece construction lets you open hood without removing the cover. Base Part No. **19A414**

3. Wraparound Bug Shield
Protect the vehicle's front end from bugs, small stones and debris. Smoke-colored to enhance any exterior color. Easy to install. Base Part No. **16C900**

4. Low-Profile Wraparound Bug Shield
Protect the vehicle's front end from bugs, small stones and other debris. Durable, smoke-colored acrylic complements any exterior color. Easy to install. Excursion only. Base Part No. **16C900**

3

4

5. Side Window Deflectors
Deflectors keep out snow or rain so you can crack open the window and let fresh air in. Durable, smoke-colored acrylic. Self-stick adhesive for easy installation. Packaged as a 4-piece kit. Base Part No. **18246**

6. Custom Chrome Step Bars*
Corrosion-resistant, chrome-plated aluminum tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. Easy to install; no drilling is required. Excursion only. Base Part No. **16450**

7. Original Equipment Running Boards*
These original equipment boards feature a rugged, corrosion-resistant steel substructure with a black plastic covering. The ribbed surface helps provide sure footing. Easy no-drill installation. Expedition only. Base Part No. **16450**

8. Moonroof Deflector
Durable, smoke-colored acrylic deflector helps reduce wind noise while letting fresh air flow in. Installs easily. Expedition only. Base Part No. **500A26**

9. Rear Spoiler in Body Color*
Help keep the rear glass clean and enhance your vehicle's appearance. Mounts to the liftgate of the vehicle and is available in select exterior colors or primed, ready to paint. Dealer installation recommended. Base Part No. **44210** Expedition
Base Part No. **500K16** Excursion

5

6

7

10. Taillamp Surrounds
Add a custom look to your Expedition. Offered with a self-adhesive backing for easy installation. Available in primed, chrome and black finish. Expedition only. Base Part No. **13B564**

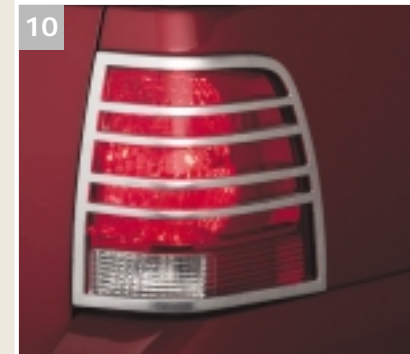

11. Smoke-Colored Rear Air Deflector*
Help keep the rear glass clean and enhance your vehicle's appearance. Durable, smoke-colored acrylic. Self-stick adhesive for easy installation. Excursion only. Base Part No. **500K16**

8

9

10

11

**Eligible for residualization under a Ford Credit Red Carpet Lease.*

12. Upper Honeycomb Grille Insert

Constructed of durable chrome-plated plastic. Direct replacement for your factory grille. No drilling required. Expedition only. Base Part No. **8200**

13. Lower Honeycomb Grille Insert

Constructed of durable chrome-plated plastic. Direct replacement for your factory grille. No drilling required. Expedition only. Base Part No. **8200**

14. Molded Splash Guards

Deflect mud, snow and ice away from lower body panels. Contoured design complements vehicle lines and gives excellent protection. Heavy-duty black plastic construction resists cracking. Packaged in pairs for front or rear. NOTE: Specify trim level. Base Part No. **16A550**

15. Flat Splash Guards

Guard against mud, snow and ice. Durable splash guards are embossed with Ford oval logo. Packaged in a 2-piece set. Excursion only. Base Part No. **16A550**

16. Fender Flares*

Constructed of resilient plastic that helps protect your vehicle from stones, gravel and other road debris. Available in a variety of colors to match or complement the vehicle exterior. Easy to install. Expedition only. Base Part No. **16268**

17. Chrome Exhaust Tip

Slips over the end of the tailpipe. Constructed of heavy-duty, corrosion-resistant, chrome-plated stainless steel for long life. Easy to install; no drilling necessary. Expedition only. Base Part No. **5K238**

Custom Wheels*

Designed specifically for your vehicle, these custom wheels meet Ford's rigorous appearance, durability and corrosion-resistance requirements. The wheels are kitted and include the wheel and center cap. Base Part No. **1007**:

18. 4L3Z-1007-AAA; fits Expedition

17" X 7.5" Bright machined aluminum with painted features, 5-spoke style. Includes chromed center cap with Ford logo (kit does not include lug nuts).

19. 4L1Z-1007-AA; fits Expedition

17" X 7.5" Chrome-clad aluminum, 5-spoke style. Includes chromed and brushed center cap with Ford logo (kit does not include lug nuts).

Protect your wheels!
See page 15 for Wheel Locks.

**Eligible for residualization under a Ford Credit Red Carpet Lease.*

20. Original Equipment Telescoping Trailer Tow Mirrors

Three styles available: Manual, Power and Power/Heated. NOTE: Power and Power/Heated mirrors are for vehicles equipped with power mirrors only. To be used as a direct replacement for your standard mirror. Excursion only. Base Part No. **17696**

21. Trailer Hitch Balls

Chrome trailer hitch balls are available in 1 7/8" (4.8 cm) or 2" (5 cm) diameters. Hitch balls feature forged, one-piece construction for maximum strength and a chrome finish for corrosion resistance. Refer to your Owner's Guide for towing limitations. Available for vehicles equipped with a trailer hitch. Base Part No. **19F503**

22. Trailer Hitch Drawbars

Designed for 2" (5 cm) trailer hitch receivers, these drawbars can be used in the raised or dropped position to match the trailer coupler height. Two offsets available for 2" receivers: 0" drop/2 1/2" rise and 1 1/4" drop/4" rise. Features a square tubular shank, heavy steel ball platform and a durable black powdercoat finish. See your dealer or Owner's Guide for towing limitations. Base Part No. **19A282**

23. Trailer Hitch Receiver Cover

Provides a nice, clean look, while preventing dirt, mud and snow from clogging the trailer hitch receiver. Available with Ford logo or No Boundaries logo for 2" (5 cm) hitch assemblies. Base Part No. **17F000**

24. DVD Rear Seat Entertainment System*

Compact, all-in-one, overhead DVD unit features a flip-down 7," 16:9, LCD screen that folds neatly into headliner when not in use. Comes with remote control and two wireless headphones. System also plays CDs, MP3s, CDRs and CDRWs. Has RCA inputs for video games, VCR or camcorder. Can also work through vehicle's stereo. Comes with vehicle-specific mounting hardware. Available for all Expeditions with rear A/C and all Excursions without moonroof. Base Part No. **19G323**

25. Hands-Free Cell Phone Prep Harness

(not pictured) Hands-Free Cell Phone Prep Harness is an easy, plug-and-play way to integrate hands-free cell phone car kits to your vehicle. It provides the interface between your vehicle's audio system and most hands-free car kits. Harness connects to vehicle's radio and supplies the necessary wiring to attach most hands-free car kits available in the aftermarket. See your dealer for details. Base Part No. **19A393**

26. Mobile-Ease™

Leading-edge technology lets you dial, send and receive calls through your Bluetooth™ wireless phone – hands-free, through simple voice commands. Integrates with vehicle's audio system and mutes radio as you send/receive calls. Automatically links with a compatible hands-free wireless Bluetooth phone as you enter vehicle. Visit the bluetooth.letstalk.com website for available Bluetooth phones. Base Part No. **19G399**

27. Smoker's Pack and Ash Cup/Coin Holder

Add an ash cup and lighter to your vehicle. The ash cup blends with the interior styling and mounts to the center console or dash. Easy to remove for cleaning. Base Part No. **04810**
Ash Cup/Coin Holder
Base Part No. **04810**
Ash Cup w/Lighter Element

**Eligible for residualization under a Ford Credit Red Carpet Lease.*

28. GPS Navigation System

Three for the road: navigation, AM-FM tuner and CD player in one compact package. Offers turn-by-turn voice directions to the desired destination. At-a-glance directions displayed on screen. Replaces the factory-installed audio system. Separate bezel kit required for each installation. Dealer installation recommended. Expedition only. Base Part No. **18814**
(Spring Clip Radio Bezel Kit – **10E991**)

29. Electrochromic Mirrors and Electrochromic HomeLink® Mirrors

Ease the discomfort of headlight glare in your rearview mirror. Automatically dims when glare is detected. Electrochromic Mirrors are available with built-in compass only or with the added feature of a temperature display. New Electrochromic HomeLink Mirrors have a wireless control feature that allows you to activate home lighting, open garage doors, disarm security systems, and communicate with any radio-frequency-controlled home device from your vehicle. They are also available with compass only or with compass/temperature display. Dealer installation recommended. Base Part No. **17700**

INSIDE AMENITIES

30 ORGANIZED INTERIORS

30. Interior Cargo Organizer
Removable and adjustable divider system helps separate and organize your belongings. It installs easily in the cargo area with no tools required. Available in black only. Base Part No. **115A00**

31. All-Weather Vinyl Floor Mats
The deep grooves and raised ridges in these heavy-duty mats catch and hold snow, slush and mud, while protecting the vehicle carpeting. Nibbed backing and driver-side positive retention help keep mats in place. Available in colors that complement your vehicle interior. Base Part No. **13086** Front
Base Part No. **13106** Rear

32. Carpeted Floor Mats
Premium-grade carpeting is custom fit to the exact contour of each vehicle. Driver-side mats have positive retention, and all mats have a nib backing to help prevent slippage. Front mats are sold in sets of two, second- and third-row mats are either one-piece or sold in sets of two, depending on application. Base Part No. **13086** Front
Base Part No. **13106** Rear
Base Part No. **13300** Four-piece and three-piece
Base Part No. **13182** Full rear third row

33. Rear Door Cargo Storage Bins
Conveniently store our highway safety kit, maps, gloves, ice scrapers and more. Kit includes two solid-finished bins. One side is a formed storage bin; the other side sports an expandable meshed netting. Excursion only. Base Part No. **20130**

34. Cargo-Logic®
A smart way to protect the cargo area floor and keep cargo restrained. Liner features molded construction that provides stain- and moisture-resistant barriers. Four Cargo-Loks® supplied. Offered in colors to complement your interior with vehicle-specific embroidered logo. Base Part No. **11600**

35. Interior Molded Cargo Tray
Durable, lightweight tray is molded to the contours of your vehicle. Raised lip helps contain spills. Installs and removes easily without tools. Excursion only. Base Part No. **7811600**

36

38

36. Elliptical Cross Bars for O.E. Racks

This set of two elliptically shaped cross bars allows the mounting of select Yakima™ carriers with adapters for elliptical carriers. These include all ski/snowboard carriers, frame mount bike carriers and luggage/cargo basket carrier. Easy to install. Expedition only. Base Part No. **55100**

37. SportRack® Cargo Boxes

Constructed of durable, black ABS plastic, these boxes go the extra mile to ensure that your gear is well protected. The small cargo box is 90" x 21" x 13.8" (229 cm x 53 cm x 35 cm) and is designed to carry up to six pairs of skis, with a capacity of 11.3 cubic feet (320 liters). Our medium box is 70.9" x 31" x 16" (180 cm x 79 cm x 41 cm) and is designed to carry larger items like suitcases. Its capacity is 15.5 cubic feet (440 liters). Our large box is 89" x 27.8" x 16" (226 cm x 71 cm x 41 cm) and can carry up to four sets of golf clubs, plus shoes, etc. Its capacity is 16.9 cubic feet (480 liters). Base Part No. **55100**

38. Framed Luggage Carrier

Provides an extra 10.5 cubic feet (297 liters) of cargo space for all your extras. Lightweight tubular frame is covered with durable vinyl, and the carrier has a rigid floor for added stability. It attaches easily to factory racks and offers 100 lbs. (45 kg) of carrying capacity. Zippered side opening makes it simple to load. Double flap design provides water resistance. Approximately 50" x 41" x 17" (127 cm x 104 cm x 43 cm). Excursion only. Base Part No. **19B507**

39

39. Soft Luggage Bag

Durable, exterior-grade canvas is flexible enough to allow you to carry odd-shaped items and folds neatly away when not in use. Measures 37" x 30" x 12" deep (94 cm x 76 cm x 30 cm). Zippered opening is covered with a Velcro®-close flap. Nylon web straps secure it to the raised round cross bars. Mounts between the cargo racks. Excursion only. Base Part No. **19B507**

40

40. Raised Round Cross Bars by Yakima™

Mount directly to the tracks of the factory rack and provide additional carrying capacity. Hold up to four bike carriers, as well as our other equipment carriers (sold separately). Excursion only. Base Part No. **55100**

41

41. LoadWarrior by Yakima™

Large, safari-style basket can carry a load of gear, as well as bikes, skis, canoes or kayaks. Measures 44" x 39" x 6.5" deep (112 cm x 99 cm x 17 cm). Yakima carriers (sold separately) can be mounted directly to the LoadWarrior basket. Fits raised round cross bars. Add the extension to increase LoadWarrior length by 18" (46 cm). Base Part No. **55100**

42

42. MegaWarrior by Yakima™

Bigger than the LoadWarrior, MegaWarrior provides large 52" x 48" x 6.5" (132 cm x 122 cm x 17 cm) dimensions that make it perfect for carrying luggage and other cargo. Can also accommodate bike, ski, canoe or kayak carriers (sold separately). Includes heavy-duty cargo netting and unique, aerodynamic fairing. Base Part No. **55100**

43

43. Luggage/Cargo Basket by Yakima™

Constructed of heavy-duty, vinyl-covered steel mesh, this basket measures 26.5" x 38.75" x 2" tall (67 cm x 97 cm x 5 cm). Includes a stretch net to secure cargo. Fits factory racks, removable roof racks, raised cross bars or raised round cross bars (all sold separately). Base Part No. **55100**

44. Fork Mount Bike Carrier by Yakima™

This easy-to-install bike rack uses a locking 9 cm-long skewer, which opens to accommodate the bicycle fork and works as a true quick-release. Each carrier holds one bike and includes an integrated lock. For use with raised round cross bars (sold separately). Front wheel holder is available and sold separately. Base Part No. **55100** (**50148** for Wheel Holder)

45. Frame Mount Bike Carrier by Yakima™

On your next trip, take your bike along for the ride. Each carrier holds one bike and features a locking arm with a durable padding that clamps onto the bike's downtube to protect its finish. Built-in cable guides guard against damage to brake or shifter cable. For use with raised round cross bars (sold separately). Base Part No. **55100**

46. Horizontal Ski/Snowboard Carriers by Yakima™

Holds up to six pairs of skis or four snowboards. Carrier features soft rubber padding to protect the finish on skis and integral locks. Carrier installs easily on factory roof rack or raised round cross bars (sold separately); no tools necessary. Snowboard Carrier adapter included. Base Part No. **55100**

47. Kayak Carrier by Yakima™

Designed to carry kayaks on edge while minimizing side-to-side movement. Carrier installs easily, requiring no tools. Will fit the raised round cross bars (sold separately). Not for use with factory rack. Can also mount to LoadWarrior or MegaWarrior cargo racks. Cargo straps can be purchased from your local sporting goods store. Base Part No. **55100**

48. Canoe Carrier by Yakima™

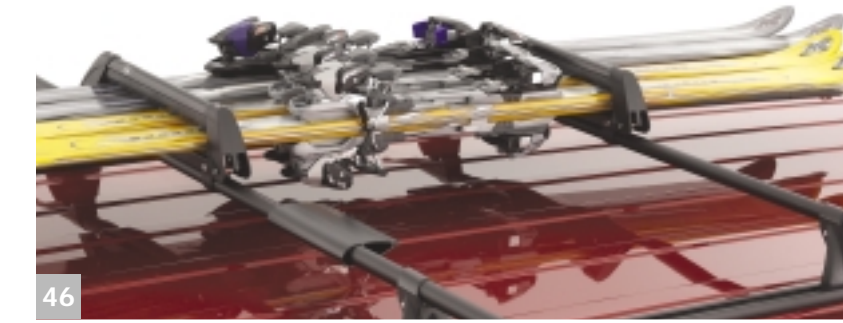

Fits our raised round cross bars (sold separately). Not for use with factory rack. Installs easily, no tools required. Cushioned brackets help protect the gunwales of your canoe from scratches. Cargo straps can be purchased from your local sporting goods store. Base Part No. **55100**

47

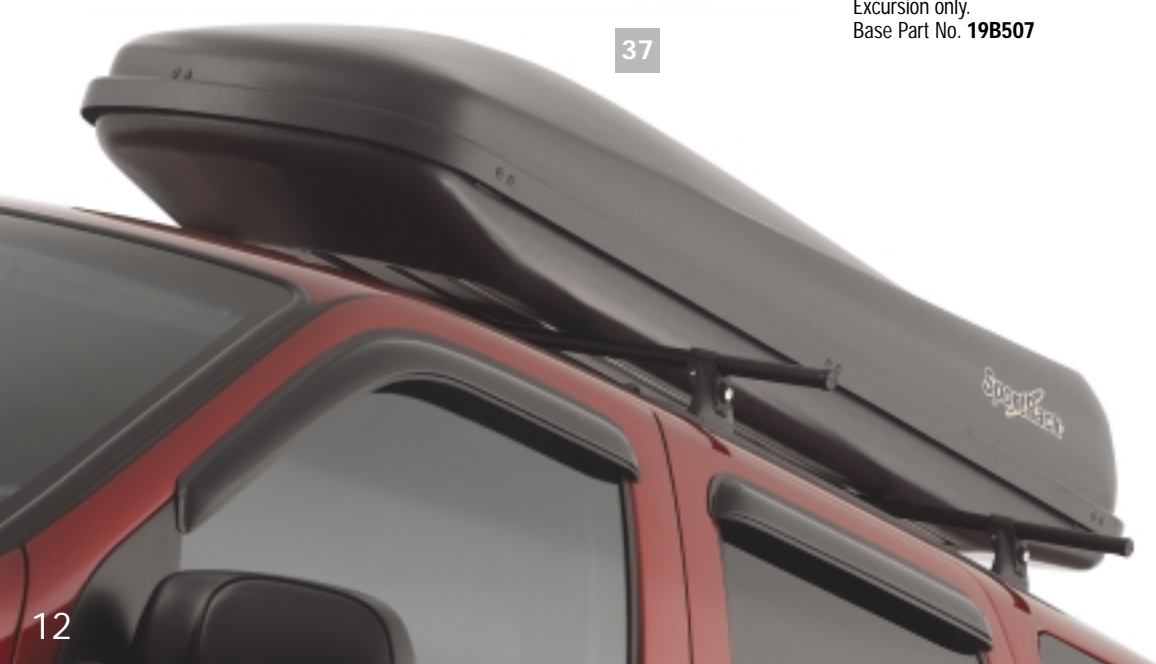

48

READY FOR ACTION

37

PEACE OF MIND

49. Daytime Running Lamp Module

This system automatically activates the low-beams at 75% of their normal operating voltage whenever the ignition is in the "on" position. Dealer installation recommended. Base Part No. **13B218**

50. Daytime Running Lamp with Auto Headlamp Module

Never touch your headlamp switch again. System automatically switches the headlamps on whenever darkness is sensed. Also features a time delay that leaves the lights on for a preset amount of time after parking the vehicle. Daytime running lights will activate during daylight. Engineered for complete integration with vehicle electrical system. Available on vehicles equipped with Auto Headlamp Module. Dealer installation recommended. Excursion only. Base Part No. **13B218**

49 50

51. Remote Start Systems*

Enjoy the comfort and convenience of a pre-warmed or pre-cooled vehicle. Systems start vehicle from up to 500 ft. (150 m) away, and ensure that it's locked and that its security system (if equipped) is armed. Comes with two remote transmitters. Two systems to choose from: Remote Start only; and Remote Start and Vehicle Security. Available for automatic transmissions only. Securilok® kit (sold separately) required for most applications. Dealer installation recommended. Base Part No. **19G364** (**19G365** for Securilok®)

51

52. Full Vehicle Cover

Constructed of multi-layer, non-woven, breathable material, NOAH® covers resist rain, snow, acid rain and bird droppings, and protect your vehicle's finish from UV rays and door dings. Features double-stitched overlapped seams, elastic sewn into the front and rear hems to help hold cover in place, and non-scratch grommets that can be used with a tie-down rope (included) or a cable and lock (not included). Each cover has a silk-screened logo on front and a license plate view window in rear. Base Part No. **19A412**

52

53

57

53. Highway Safety Kit

Convenient carrying kit includes a first-aid kit, a reflective triangle, a flashlight, bungee cords, a thermal blanket, cotton gloves, hose tape, a multifunction knife, Phillips and slotted head screwdrivers, a 12-hour light stick, jumper cables and pliers. Base Part No. **19F515**

54. Keyless Entry Keypad

Conveniently unlock your vehicle without your key or keyless entry remote. No wiring necessary – programmable, backlit keypad tunes to the same frequency as your transmitter. Long-life battery (lasts 100,000 cycles). Easy no-drill installation. For vehicles equipped with factory remote keyless entry. Base Part No. **14A626**

54

55. Locking Gas Cap

To prevent loss, a plastic tether attaches cap to the vehicle. Swing-away cover helps keep moisture and debris out of locking mechanism. Includes two keys. Base Part No. **9030**

55

56. Wheel Locks

For added protection against wheel theft, replace one lug on each wheel with one of these locks. Open-ended, anodized, zinc-plated locks available for hidden lugs. Kit includes four locks and key. Base Part No. **1A043**

56

57. Vehicle Security Systems*

Protect your vehicle with a state-of-the-art security system. These systems offer a full range of security features and come complete with pocket-sized transmitters. Three systems to choose from: Vehicle Security only; Deluxe Vehicle Security; and Vehicle Security with Remote Start. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Dealer installation recommended. NOTE: Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces. Base Part No. **19A361**

58. First-Aid Kit

Compact case fits into glove compartment or center console so it's always there when you need it! Contains general first-aid items such as bandages, gauze, antibacterial ointment and more. Base Part No. **19F515**

58

*Eligible for residualization under a Ford Credit Red Carpet Lease.
