TESTED TOUGH.

You work hard and play harder. So, Genuine Ford Accessories are engineered and factory tested to be in perfect synch with your Expedition or Expedition EL's body design and mechanical specs.

4 Elliptical Cross Bars for O.E. Racks*

This set of two elliptically shaped cross bars allows the mounting of select carriers with adapters for elliptical carriers. Easy to install. Base Part No. **55100**

5 Interior Cargo Organizer

Removable and adjustable divider system helps separate and organize your belongings. Made of premium-grade polyethylene, it installs easily in the cargo area with no tools required. Available in black only. Base Part No. **115A00**

6 Interior Molded Cargo Area Protector

Durable, lightweight tray is molded to the contours of your vehicle. Raised lip helps contain spills. Installs and removes easily without tools. Available in black only. Base Part No. **7811600**

7 Cargo-Logic®

A smart way to protect the cargo area and keep cargo organized. Liner features molded construction that provides a stain- and moisture-resistant barrier to protect the cargo area floor, while L-shaped Cargo-Loks hold cargo. The liner's heavy-duty looped polyware surface offers an ideal fastening surface for Velcro® hooks on the underside of the thermoplastic Cargo-Loks. Simply place Cargo-Loks at diagonal corners of the cargo you're carrying to keep it from shifting. Four Cargo-Loks supplied. Offered in colors to complement your interior. Base Part No. **11600**

8 Flat-Molded Splash Guards

(not pictured) Keep mud, snow and ice away from lower body panels. Contoured design complements vehicle lines and gives excellent protection. Heavy-duty black plastic construction resists cracking. Packaged in pairs for front or rear. NOTE: Specify trim level. Base Part No. **16A550**

**Eligible for residualization under a Ford Credit Red Carpet Lease.*

PREPARED AND PROTECTED.

Genuine Ford Accessories are manufactured to meet Ford's high quality and safety standards. These state-of-the-art systems go far to help ensure your peace of mind.

9 Mobile-Ease™

Use simple voice commands to dial your Bluetooth™-equipped wireless phone – hands free! Mobile-Ease mutes your vehicle's audio system whenever you make or receive calls and provides hands-free communication using a microphone and the vehicle's audio system. Once paired, Mobile-Ease automatically links with your Bluetooth-equipped wireless phone whenever you get in your vehicle. Visit bluetooth.letstalk.com for available Bluetooth phones. A wiring harness (sold separately) is required for all applications. NOTE: Bluetooth is not available on all audio applications. See your dealer for availability. Base Part No. **19G399 (14A411 for Wiring Harness)**

10

10 Electrochromic Mirrors and Electrochromic HomeLink® Mirrors

Ease the discomfort of headlight glare in your rearview mirror. Automatically dims when glare is detected. Electrochromic Mirrors are available with built-in compass only or with the added feature of a temperature display. Electrochromic HomeLink Mirrors have a wireless control feature that allows you to activate home lighting, open garage doors, disarm security systems, and communicate with any radio-frequency-controlled home device from your vehicle. They are also available with compass only or with compass/temperature display. Dealer installation recommended. Available on XLT only. Base Part No. **17700**

11 12

11 Vehicle Security System

Protect your vehicle – and its contents – with a state-of-the-art security system. Two-step perimeter alarm gives a warning chirp for non-threatening impacts and a Real Panic Sound® if security is threatened. IT-s® (Interior Theft Sensor) uses infrared technology to protect the vehicle's contents. Factory-supplied transmitter remotely locks/unlocks doors and deactivates the alarm. Dome lights are activated for illuminated entry/exit. For vehicles equipped with factory keyless entry. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Dealer installation recommended. NOTE: Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces.
Base Part No. **19A361**

12 Remote Start Systems

Enjoy the comfort and convenience of a pre-warmed or pre-cooled vehicle. Two systems to choose from. Remote Start Only has a small, single-button key fob that can start and stop the vehicle from up to 1,000 ft. (300 m) away. Remote Start with Keyless Entry and Vehicle Security has a perimeter alarm, Progressive Car Find to help locate your vehicle in crowded parking lots, plus a six-button key fob for start/stop, panic, lock, unlock, and up to two buttons that can be programmed for compatible features like sliding doors, power lift-gates, etc. SecuriLock® kit (sold separately) required for most applications. Dealer installation recommended. NOTE: Available for automatic transmissions only. Remote Start with Keyless Entry and Vehicle Security may be eligible for insurance discounts in some states/provinces.
Base Part No. **19G364** (**19G365** for SecuriLock®)

GO THE DISTANCE.

Whether you're adding function or flair – or both – to your Expedition, you can always count on Genuine Ford Accessories. They're covered by the same outstanding limited warranty as your new Expedition or Expedition EL (see back cover for details).
